S.K. Zelinsky,

Payment is enclosed. George and I  
wish to thank you for the beautiful job that  
was done. Such care was given to each detail  
and it has never looked so good. We hope to  
have you do more work for us in the near  
future.

It was mentioned that there was  
left over paint. If there was please give me a  
call for I have not located it.

Once again thank you and  
we appreciate your work.

Christine
